For every £1 you give, we will receive an extra 25p through Gift Aid, giving us a total amount of £1.25. It doesn't cost you a penny and the additional support will help to fund Breast Cancer Now's vital work; making a difference to the lives of even more people affected by breast cancer.

Why Gift Aid your donations?

- Helps more people affected by breast cancer at no extra cost
- Boosts your donations through tax effective giving
- Every single penny counts and really will make a difference
- It's easy. Just complete the information below and return the form to us

If all our supporters say YES to Gift Aid, together we'd raise much needed additional funds, helping us to save lives by developing improvements in diagnosis, treatment and prevention, and ensuring that people have access to the services that they need.
